CONNECT 2015

Friday, March 13, 2015 your Supervisor of Elections and staff had the opportunity to attend Connect 2015, an event sponsored by Career Source North Florida and held at North Florida Community College. This day-long event provided the chance to hear professionals speak on Being a Leader, Social Marketing, The People Puzzle and Everyone Communicates-Few Connect. As we are beginning to prepare for the 2016 election cycle, we enjoyed being able to hear fresh ideas on how to connect with our voters ensuring we are doing everything possible to reach each and every citizen of Taylor County.
