

Florida Certified Elections Professional (FCEP)
Ethics & Liability Class – May 12-14, 2015

On May 12-14, 2015, your Supervisor of Elections and staff attended several Florida Certified Elections Professional (FCEP) classes in Orlando. Attending the Ethics and Liability class not only put us one class closer to completing this FCEP certification process, but also gave us the opportunity to complete the 4 hours of ethics training required annually.
