

## Voting Equipment Receives Preventative Maintenance

On June 30<sup>th</sup> and July 1<sup>st</sup> your Supervisor of Elections brought in two trained technicians from Dominion Voting Systems to perform preventative maintenance on all of the Taylor County's voting equipment. Each piece was inspected, cleaned and was required to pass a series of diagnostic testing to ensure that it is in the best working condition for the upcoming 2016 election cycle. Thank you Steve and Juan for assisting us in ensuring our voters we are continuing to strive for successful elections in Taylor County.
