

Certified Elections Registration Administrator (CERA) Graduate August 2015

Your Supervisor of Elections recently received the designation as a Certified Elections Registration Administrator (CERA). The CERA designation is achieved only through a multi-year course of study conducted by the Election Center's Professional Education Program and completion of twelve core courses taught by the Master's in Public Administration faculty of Auburn University (Auburn, Alabama). This is the highest designation available to election officials. Since the program's inception in 1994 there has only been 906 participants having completed the requirements to earn this CERA designation.
