

Pre-K Open House

September 15, 2015

Your Supervisor of Elections and staff attended the open house recently held at Pre-K. In addition to offering voter registration and election information to those parents in attendance, we also had a student ballot available. The students voted on their favorite book and a total of 26 voters participated. The Very Hungry Caterpillar received 13 votes and was the winner, Green Eggs and Ham received a close 9 votes and Chicka Chicka Boom Boom received 4 votes. Thank you Pre K administration for allowing us this opportunity.
