

TCES 5th Grade Representative Election October 7, 2016

On October 7, 2015 your Supervisor of Elections and staff visited Taylor County Elementary School to assist in conducting their 5th Grade Class Representative Election. The students were able to cast their ballots on voting equipment that had been programmed with their classroom nominations. The students loved being able to vote on “real” equipment and the administration loved the instant election results. Thank you Mr. Finley and the staff for allowing us this opportunity to educate the students on the importance of voting and how each vote truly does make a difference.
