

Great Practices Showcase – Hillsborough County November 3, 2015

November 3, 2015 your Supervisor of Elections and staff was offered the opportunity to attend a Great Practices Showcase presented by the Hillsborough County Supervisor of Elections. Having just won the prestigious Governor's Sterling Award gave Hillsborough County the chance to showcase many of the areas of excellence that we all strive for in our own elections offices such as Cooperation, Confidence and Continuous Improvement. As always your Supervisor of Elections is looking for ways to enhance and improve all areas of voting and election services and we appreciate other Supervisors being willing to share their best practices and ideas with us.
