

Point of Grace Christian School

Your Supervisor of Elections was asked by the administration of Point of Grace if we would be willing to do a presentation on the importance of voting and allow the students to conduct a mock election...of course we said YES !!! The history teachers at the school provided us with five questions for ballot placement and after 95 students voted, this was the results:

1. President - Carson 25 votes, Clinton 1 vote, Cruz 4 votes, Rubio 21 votes, and Trump won with 40 votes
2. Should Syrian refugees be allowed into the United States? Yes 10 votes, No 81 votes
3. Should Point of Grace Christian have a dress code? Yes 11 votes, No 84 votes
4. Should Point of Grace Christian have their own sports program? Yes 59 votes, No 36 votes
5. Should Point of Grace Christian students be allowed to vote for teacher of the year? Yes 88 votes, No 7 votes

Thank you Point of Grace for allowing us to participate in this learning experience for the students. We look forward to partnering with you on future events.
