

2015 4-H Agriculture Literacy Day

On April 16, 2015 your Supervisor of Elections had the pleasure to assist the Taylor County 4H with Agriculture Literacy Day at Perry Primary School. Along with several community volunteers we read to individual classrooms and helped the students make butter. Thank you Ms. Raulerson, Ms. Sands and Ms. Smith for welcoming me into your classroom and a shout out to Taylor County 4H for all they are doing in our community.
