

Steinhatchee Elementary School Open House

Your Supervisor of Elections and staff attended the open house recently held at Steinhatchee Elementary School. In addition to offering voter registration and election information to those parents in attendance, we also had a student ballot available. This was a great way for your elections office to introduce not only the importance of voting but how each vote makes a difference. The younger students voted on their favorite book and the older students voted on their favorite summer activity as well as their favorite school subject. 27 students participated in the election: favorite summer activity - playing outside won with 8 votes, favorite school subject - P.E. won with 9 votes and there was a three way tie for favorite book - Alexander and the Terrible, Horrible, No Good, Very Bad Day, The Very Hungry Caterpillar and Green Eggs and Ham received 3 each. Thank you Steinhatchee Elementary School administration for allowing us this opportunity.
